Workshop Maintenance Technician

We are seeking to employ a Maintenance Technician to work in our Technology Department starting in 2027. The role is suited to a skilled tradesperson with an interest in wood work and metal work and is experienced with industrial workshop machinery.

This part-time position is for 8 hours per week between the hours of 8am–4.30pm, term time only - day and times to be negotiated. Duties include tool and machinery maintenance, preparation of materials for classroom lessons, general tidying of the workshops, stock level maintenance and any other jobs that may be required.

Applications close Tuesday 1 December 2026.

All applications must be made on the school application form.
This can be found of our school website together with the job description.
Please submit your application with a cover letter and CV to
supportvacancy@otc.school.nz
