1) Why did you choose New Zealand to study?

Because I liked the idea of being far away from home. I really liked the nature and I was interested in the Maori culture.

2) What is the best thing about studying at Otumoetai College?

Everyone was nice, and when I needed help I got it straight away

3) What do you enjoy most about being in New Zealand?

Making new friends. Playing Hockey with an awesome team, and going out with my friends

4) Do you enjoy living with a New Zealand homestay family?

Yes, they are really friendly and it's so much fun to have locals around.

5) What would you say to a student from your country considering coming to New Zealand to study?

Do it! You won't regret it. It might seem scary at the start, but believe me.... It's worth it!

6) What are your career aspirations?

Probably something with Photography, but I don't know.

7) What do you plan to do after your New Zealand education is completed?

I'm going back home and back to school for two more years. Then I might come back to New Zealand.
