Course Entry	Students will be placed in this class if they need extra ESOL support with their NCEA subjects or if they need extra support to develop their English language skills.				
Course Overview	This is a self-study class offering individual educational support for ESOL students studying English or doing NCEA qualifications. Students may have IECS on their timetable for 1 hour per week, up to a total of 5 hours per week. The students may come from Year 9 to Year 13.				
Assessment	There is no assessment for this class.				
Cost Materials	Nil.				

Course Aims

This course aims to support students with their English language studies or with their different NCEA subjects. Students may work on extra study for their various curriculum subjects, research or assignments for NCEA, or use the class to do extra English study.

Description of Course

Topics will be chosen by the student working together with the ESOL teacher. Students will have access to the ESOL computers and may do research, reading, writing or other work for their various NCEA subjects. Junior students may do activities on the computers such as listening or extra reading in English. They may also work on the Athletics programme. Students will have the support of an ESOL teacher who will help them to understand and complete work for NCEA assessments in their different NCEA classes.

Assessment Programme

There is no assessment for this class.

Own Work / Plagiarism (copying)

As for other classes, when they are doing research, students cannot copy whole sentences or paragraphs. They must put copied information in quotation marks. They must also write the title of the book or article and the author's name in a bibliography or reference list. They are allowed to copy ideas and information if they put those ideas into more simple words.
