

## SPECIAL NEEDS

Special Needs fees will be allocated at the end of Term One once student timetables are finalised.

| <b>CURRICULUM</b>           |   |
|-----------------------------|---|
| <b>Course Overview</b>      | The Special Needs curriculum and especially the key competencies are taught through a functional and integrated context. The Special Needs curriculum fosters independence and provides strategies for students to cope in social situations.<br>Key competencies and future pathways are developed through accessing a range of subjects and different contexts of learning.<br>ASDAN is a program that supports the Special Needs curriculum. All of the Special Needs curriculum sits within the pathway to work, and straddles the national vocational pathways spectrum. |
| <b>ART</b>                  |   |
| <b>Course Overview</b>      | This course is designed for students to express themselves through different mediums, and develop future pathways into Art.   |
