

# SPORTS AWARDS 2024

Thursday 17 October 2024, 6.30pm - Performing Arts Centre

## *Congratulations*

## **Tena Koutou Katoa**

*Ōtūmoetai College can be justifiably proud of its sporting history and achievements. Our students participate in a wide range of sports, many to national levels, and I wish to acknowledge all of our staff members, parents and volunteers who give of their time to allow our students the opportunities to participate in their chosen sport.*

*For many, sport is the ultimate physical challenge. It gives us a chance to explore our potential and test our endurance. But there is more to sport than mere physical prowess. It is an inherently emotional experience. The thrill of victory, the agony of defeat, the frustration of failure and the satisfaction of success are an integral part of it. That is what makes the psychological aspect of sport so interesting and important for those involved. It is mental discipline that helps us to stick to gruelling training schedules, and willpower that keeps us going when the going gets tough. This 'mental toughness' gives an edge in competition and helps us to reach new peaks of excellence.*

*Remember, through sport we learn to enjoy success, accept disappointment, set goals, be part of a team, have honour, commitment and strive to be the best.*

*My thanks to all the staff and parents who coach and manage our teams.*

*Also to the parents who are their children's strongest supporters – well done. Thanks to all the members of the Schools Sports community, especially to Ian, Emma, Dennis, Chris and Debbie.*

*To our students, I wish you all the very best and may you continue to have success in your life.*

**Russell Gordon**  
**Principal**
