

SPORTS AWARDS 2025

Tuesday 21 October 2025, 6.30pm - Performing Arts Centre

Congratulations

Tena Koutou Katoa

Ōtūmoetai College can be justifiably proud of its sporting history and achievements. Our students participate in a wide range of sports, many to national levels, and I wish to acknowledge all of our staff members, parents and volunteers who give of their time to allow our students the opportunities to participate in their chosen sport.

For many, sport is the ultimate physical challenge. It gives us a chance to explore our potential and test our endurance. But there is more to sport than mere physical prowess. It is an inherently emotional experience. The thrill of victory, the agony of defeat, the frustration of failure and the satisfaction of success are an integral part of it. That is what makes the psychological aspect of sport so interesting and important for those involved. It is mental discipline that helps us to stick to gruelling training schedules, and willpower that keeps us going when the going gets tough. This 'mental toughness' gives an edge in competition and helps us to reach new peaks of excellence.

Remember, through sport we learn to enjoy success, accept disappointment, set goals, be part of a team, have honour, commitment and strive to be the best.

My thanks to all the staff and parents who coach and manage our teams.

Also to the parents who are their children's strongest supporters – well done. Thanks to all the members of the Schools Sports community, especially to Ian, Emma, Dennis, Chris and Debbie.

To our students, I wish you all the very best and may you continue to have success in your life.

Russell Gordon
Principal

Service to School Sport Award:

This award recognises students who volunteer their time to support sport within Ōtūmoetai College or its feeder schools. Recipients contribute as coaches, managers, or referees, helping others to participate and enjoy sport. This award celebrates unpaid service and the valuable role these students play in strengthening our school's sporting community.

Merit Award:

The Merit Award acknowledges student-athletes who have demonstrated commitment, achievement, and consistent contribution to their sport. Recipients either show exceptional dedication as members of a College A, 1st XI, or Premier team achieve or achieve a top 10 finish at a New Zealand Secondary Schools Sports Council (NZSSSC) sanctioned event. Merit Award athletes meet expectations for attendance, effort, training, and team spirit throughout the season.

Honours Award:

The Honours Award recognises student-athletes who have demonstrated excellence across all aspects of their sport. These students already meet Merit Award standards and go further; performing with distinction at regional or national levels, showing outstanding commitment to training and competition, and consistently displaying exemplary sportsmanship. Honours recipients typically represent at a sub-regional 'A' level such as Western Bay of Plenty or equivalent.

Blue Award:

The Blue Award is Ōtūmoetai College's highest sporting honour. It recognises athletes who have consistently performed at an exceptional level, both in school and beyond. Recipients have met both Merit and Honours criteria, achieved outstanding results over multiple years, and represented at high levels such as Bay of Plenty/WaiBOP or national tournaments. Blue Award athletes exemplify excellence, leadership, and commitment in all areas of their sporting life.

Glen Jackson Supreme Service to Sport Award:

Named in honour of Ōtūmoetai College alumnus Glen Jackson, who went on to achieve remarkable success in both community and professional sport, this award reflects his legacy of giving back. It recognises students who have demonstrated an outstanding level of commitment and service to sport through coaching, managing, or officiating school teams; embodying the values of leadership, generosity, and dedication within our sporting community.

Principal's Awards:

The Principal's Award is reserved for truly exceptional student-athletes who have represented New Zealand in their chosen sport. This prestigious honour acknowledges not only their elite level of performance but also the dedication, perseverance, and pride they bring to both their sport and Ōtūmoetai College.

Elite Awards:

The Elite Awards celebrate our top-performing student-athletes who have achieved excellence in a single sport, recognising outstanding performance, commitment, and contribution within that sport. They also acknowledge the overall Sports Boy and Sports Girl at both junior and senior levels; honouring those who have demonstrated exceptional achievement, leadership, and dedication across the sporting year.
