ŌTC SPORTS AWARDS 2026

ŌTŪMOETAI COLLEGE

Kia māramahia te ora e te akoranga

Tena Koutou Katoa

Ōtūmoetai College can be justifiably proud of its sporting history and achievements. Our students participate in a wide range of sports, many to national levels, and I wish to acknowledge all of our staff members, parents and volunteers who give of their time to allow our students the opportunities to participate in their chosen sport.

For many, sport is the ultimate physical challenge. It gives us a chance to explore our potential and test our endurance. But there is more to sport than mere physical prowess. It is an inherently emotional experience. The thrill of victory, the agony of defeat, the frustration of failure and the satisfaction of success are an integral part of it. That is what makes the psychological aspect of sport so interesting and important for those involved. It is mental discipline that helps us to stick to gruelling training schedules, and willpower that keeps us going when the going gets tough. This 'mental toughness' gives an edge in competition and helps us to reach new peaks of excellence.

Remember, through sport we learn to enjoy success, accept disappointment, set goals, be part of a team, have honour, commitment and strive to be the best.

My thanks to all the staff and parents who coach and manage our teams.

Also to the parents who are their children's strongest supporters – well done. Thanks to all the members of the Schools Sports community, especially to Ian, Shae, Dennis, Chris and Debbie.

To our students, I wish you all the very best and may you continue to have success in your life.

Russell Gordon
Principal

Ōtūmoetai College Sports Awards 2026

Our Sports Awards celebrate the achievement, commitment and contribution of our student-athletes. We recognise outstanding sporting performances alongside the character, sportsmanship and pride our students bring to representing Ōtūmoetai College.

The following summaries outline the purpose of each award. Selections are guided by the College's awards criteria, with consideration given to the level and significance of achievements, the different pathways within each sport, and the student's overall contribution and conduct. An individual result or representative selection does not automatically determine an award.

Service to School Sport Award

Recognises students who give their time voluntarily to support sport at ŌTC or our feeder schools. Through coaching, managing, officiating and other valued support roles, these students help others participate, develop and enjoy sport. These awards are presented during school time.

Merit Award

Recognises achievement through national school sporting competition or a committed contribution to an ŌTC College A, 1st XI or Premier team. Recipients demonstrate dedication, preparation, positive team contribution and sportsmanship. Merit Awards are presented during school time.

Honours Award

Recognises student-athletes whose performance and contribution extend beyond Merit level. Recipients demonstrate sporting excellence, achievement at sub-regional representative level or an equivalent standard, outstanding commitment and exemplary sportsmanship.

Blues Award

The College's highest sports honour recognises exceptional achievement and contribution. Building on Merit and Honours standards, a Blue reflects the strength of an athlete's overall sporting record, including outstanding school contribution, national achievement and/or top regional representation. Recipients exemplify the commitment, character and values expected of an ŌTC student-athlete.

Glen Jackson Supreme Service to Sport Award

Recognises outstanding service to school sport through coaching, managing or officiating. Named in honour of Ōtūmoetai College alumnus Glen Jackson, this award celebrates leadership, generosity and sustained dedication to helping others succeed.

Principal's Awards

Recognises exceptional sporting achievement, including representing New Zealand in a recognised sport or an equivalent outstanding achievement on the international stage.

Cups & Trophies

Sport-specific cups and trophies recognise achievement and contribution in keeping with the history and purpose of each award.

Premier Sporting Awards

Our premier individual awards celebrate the most outstanding sporting achievements during the award period, October 2025 to October 2026.

Junior Sports Boy and Sports Girl (Years 9–10) and Senior Sports Boy and Sports Girl (Years 11–13) recognise excellence across multiple sporting codes, alongside meaningful contribution to ŌTC sport, commitment and exemplary sportsmanship.

Excellence in an Individual Sporting Code – Boy and Girl recognises exceptional achievement and sustained performance within a single sporting code, whether a team or individual sport.

Recipients are selected by the Sports Awards Committee, considering the quality and significance of achievements within the context of each sport.

ATHLETICS

Merit Awards - Diane Rodgers 1500m Winners ..... Maia Basile
