

LEARN TO ROW

Would you like to try rowing for your school this year?

Come to one of Tauranga Rowing Club's free Novice Open Days - choose a session and you will be introduced to rowing, find out what the sport involves, meet some experienced rowers, and have the opportunity to represent your school at a Novice level this summer.

The sessions are being held at Tauranga Rowing Club in Memorial Park, giving you the chance to see what the sport is all about.

Who knows - it may just change your life!

COME DOWN AND HAVE A GO
