

Mathematics & Statistics Teacher

Due to the retirement of a highly regarded, long serving staff member, we require an enthusiastic teacher of mathematics and statistics. This role would commence at the beginning of the 2023 academic year.

We are looking for someone who can offer a variety of effective teaching strategies to engage, challenge and inspire students. Good communication skills and the ability to work to shared team values will be strengths of the right applicant.

An ability to teach to senior levels would be advantageous but is not a requirement as there is flexibility to tailor the role to suit the skills of the applicant.

There may also be a fixed term Management Unit available to a suitably qualified applicant.

Applications close 4pm, Wednesday 14 September 2022.

Please send the required application form, cover letter and CV to:
