Equipment List (Minimum) for Oteora Camp

Personal gear for Summer 2 day camp

- Pack or bag with handles to carry gear up to campsite. (20 min walk) over farmland.
- Daypack for tramp.
- Sleeping bag. Add a blanket if it is thin, and closed foam bed mat.
- Parka or raincoat (in case of rain). Quilted jackets are not waterproof enough.
- Comfortable solid running shoes or boots. Not sandals or jandals for the tramp.
- Two pairs of socks. Woollen socks best. Thin nylon socks cause blisters.
- Sweatshirt or fleece.
- Track pants or long pants for night or around campsite.
- Shorts for the tramp do not wear jeans or long trousers, as we will be walking through streams.
- Shirts 2, underwear 2.
- Large plastic bags to keep things dry. (Clean rubbish bag of large size.)
- Sticking plasters, insect repellent and personal toilet gear.
- Torch *with spare batteries and spare bulb*. No electricity at camp
- Plate, cup, knife fork and spoon, tea towel, and large towel.
- **No i-pods, Mp3 players or phones please, also no aerosol cans, lighters, matches or large knives.**
- All pots pans and cooking gear are supplied and on site.
- Leave your good clothes at home.
- The toilets are FLUSH TOILETS.
- Gas cookers are used and two BBQs are on site as well.
- Swimming gear and towel.
