Sports Uniforms Most teams have uniforms that have been supplied by the school for the playing season. Ōtūmoetai College tracksuits are available for hire from the school, by teams representing the college at special events.

ŌTŪMOETAI COLLEGE UNIFORM CODE

All students must wear correct school uniform.

This encourages a sense of identity with the school and it also provides a measure of security by identifying any non-students on school property.

Correct uniform and tidy grooming is required when students are travelling to and from college as well as during the school day. This also applies to trips away from school, unless students are otherwise instructed.

Uniform Regulations

1. The uniform is to be worn to, at and from school and at all school functions and trips unless otherwise directed.
2. Items of clothing that are not listed in the code may not be worn as part of the uniform.
3. Undergarments must not be visible at the waist.
4. All items of clothing, including footwear, should be clearly marked with the owner's name.
5. Where there are genuine cultural or medical reason for a student to vary the regulations, prior written approval from the Principal must be obtained.

We have a uniform as we have a sense of pride in who we are.
